

兔抗 ARSF 多克隆抗体

中文名称：兔抗 ARSF 多克隆抗体

英文名称：Anti-ARSF rabbit polyclonal antibody

别名：ASF

相关类别：一抗

抗原：ARSF

储存：冷冻（-20℃）

宿主：Rabbit

反应种属：Human

标记物：Unconjugate

克隆类型：rabbit polyclonal

技术规格

Background:	This gene is a member of the sulfatase family, and more specifically, the arylsulfatase subfamily. Members of the subfamily share similarity in sequence and splice sites, and are clustered together on chromosome X, suggesting that they are derived from recent gene duplication events. Sulfatases are essential for the correct composition of bone and cartilage matrix. The activity of this protein, unlike that of arylsulfatase E, is not inhibited by warfarin. Multiple alternatively spliced variants, encoding the same protein, have been identified.
Applications:	ELISA, WB
Name of antibody:	ARSF

Immunogen:	Fusion protein of human ARSF
Full name:	arylsulfatase F
Synonyms :	ASF
SwissProt:	P54793
ELISA Recommended dilution:	1000-2000
WB Predicted band size:	66 kDa
WB Positive control:	Human placenta tissue
WB Recommended dilution:	200-1000
