

## 兔抗 ATG16L2 多克隆抗体

中文名称: 兔抗 ATG16L2 多克隆抗体

英文名称: Anti-ATG16L2 rabbit polyclonal antibody

别名: WDR80; ATG16B

相关类别: 一抗

储存: 冷冻 (-20℃) 避光

宿主: Rabbit

抗原: ATG16L2

反应种属: Human Mouse

标记物: Unconjugate

克隆类型: rabbit polyclonal

### 技术规格

|                                 |                                                             |
|---------------------------------|-------------------------------------------------------------|
| <b>Background:</b>              | May play a role in autophagy.                               |
| <b>Applications:</b>            | WB                                                          |
| <b>Name of antibody:</b>        | ATG16L2                                                     |
| <b>Immunogen:</b>               | Synthesized peptide derived from internal of human ATG16L2. |
| <b>Full name:</b>               | autophagy related 16 like 2                                 |
| <b>Synonyms:</b>                | WDR80; ATG16B                                               |
| <b>SwissProt:</b>               | Q8NAA4                                                      |
| <b>WB Predicted band size:</b>  | 69 kDa                                                      |
| <b>WB Positive control:</b>     | NIH/3T3 cells and Mouse brain tissue lysates                |
| <b>WB Recommended dilution:</b> | 500-3000                                                    |
