

## 兔抗 NMS 多克隆抗体

中文名称: 兔抗 NMS 多克隆抗体

英文名称: Anti-NMS rabbit polyclonal antibody

储 存: 冷冻 (-20℃) 避光

抗 原: NMS

宿 主: Rabbit

相关类别: 一抗

反应种属: Human

标 记 物: Unconjugate

克隆类型: Unconjugate

技术规格

|                                 |  |
|---------------------------------|--|
| <b>Background:</b>              | Implicated in the regulation of circadian rhythms through a utocrine and/or paracrine actions By similarity. |
| <b>Applications:</b>            | WB   |
| <b>Name of antibody:</b>        | NMS  |
| <b>Immunogen:</b>               | Synthesized peptide derived from internal of human NMS.  |
| <b>Full name:</b>               | neuromedin S   |
| <b>Synonyms :</b>               | 0  |
| <b>SwissProt:</b>               | Q5H8A3   |
| <b>WB Predicted band size:</b>  | 18 kDa   |
| <b>WB Positive control:</b>     | MCF-7 cells, 293 cells, Huvec cells, HepG2 cells and Jurkat cells lysates                                    |
| <b>WB Recommended dilution:</b> | 500-3000   |
