

兔抗 BBX 多克隆抗体

- 中文名称: 兔抗 BBX 多克隆抗体
- 英文名称: Anti-BBX rabbit polyclonal antibody
- 别名: bobby sox homolog (Drosophila); HBP2; ARTC1; MDS001; HSPC339
- 相关类别: 一抗
- 储存: 冷冻 (-20℃)
- 宿主: Rabbit
- 抗原: BBX
- 反应种属: Human
- 标记物: Unconjugate
- 克隆类型: rabbit polyclonal

技术规格

Background:	Transcription factor that is necessary for cell cycle progression from G1 to S phase.
Applications:	ELISA, IHC
Name of antibody:	BBX
Immunogen:	Fusion protein of human BBX
Full name:	BBX high mobility group box domain containing
Synonyms:	HBP2; ARTC1; MDS001; HSPC339
SwissProt:	Q8WY36
ELISA Recommended dilution:	5000-10000
IHC positive control:	Human prostate cancer
IHC Recommend dilution:	20-100
